GEORGE CLELAND - K2 ROOFING MANAGER

QUALIFICATIONS

City in Guilds Roofing; SMSTS; Asbestos Awareness; First Aid appointed person

EXPERIENCE

George has worked with a number of national roofing companies and has been a company owner in his own right for over fifteen years.

George joined K2 in 2008 and heads the roofing division of K2 which incorporates rope access along with traditional roofing skills.

Managing a ten man team George has recently passed his SMSTS course with a 99% average score.

George's skills range from traditional slate roofing, flat roofing's and single ply membrane application.

George's vast experience has ensured that K2 have been successful in securing maintenance projects with various local factoring companies and a national contract with Pub group Scottish & Newcastle PLC.
